

I believe that
Sinclair
Broadcasting's
decision to force
their stations to
air an anti-Kerry
documentary days
before the election
is a clear example
of a large media
corporation abusing
public airwaves for
partisan purposes.
Sinclair is
commanding 62 local
TV stations to
broadcast an
hour-long one-sided
political
infomercial, using
free-of-charge
airwaves, and is
trying to get away
with calling it a
"news" program.
This is outrageous!
Sinclair is not
serving the public
interest in so
doing; rather it is
serving its owner's
political agenda.

Please take this
into account when
license renewal time
comes around. Thank
you.
